

PACEMAKER CHECK INSTRUCTIONS

766-3688

1. Put battery in monitor (transmitter).
2. Place wrist bands on wrist after you lightly moisten your inner wrists.
3. To transmit:
 - a) Turn monitor on and lay phone on the transmitter, count to 45, then speak to Dee.
 - b) Lay phone on transmitter, make sure the power is on, and place magnet on pacemaker. Count to 45, then speak to Dee.
 - c) Lay phone on transmitter, count to 45, then speak to Dee. (Make sure magnet is not near pacemaker.)

TIPS

1. Make sure TV, radio, washer/dryer, fans, etc., are turned off.
2. Take you watch off.
3. Try not to use portable phone.
